About Us

Since its inception a few decades ago, Regent Seating Collection has become one of the premier suppliers and manufacturers of superior quality office furniture. Our comprehensive range of products is characterised by its perfect blend of beauty, durability and affordability and offers a consummate solution for all your office furniture needs. We, at Regent believe that office furniture is a lot more than just an arrangement of desks and chairs and put our heart and soul into giving you a dream office space replete with style and comfort.

Manufactured using state-of-the-art technology, Regent's range of office furniture is extremely versatile and can be customised as per your special requirements. What sets us apart from the competition is our constant endeavour to update our manufacturing set-up, design competence and craftsmanship to provide you with unmatched products, prompt delivery and the best after sales service. We believe that an employee spends around 8-10 hours a day in office and comfortable furniture will go a long way in increasing his productivity. Thus, all our furniture is designed ergonomically after consulting a team of trained professionals.

All our office furniture is manufactured from the most superior quality wood, plastic and other material that is procured from trusted vendors and passed through several strict quality tests by expert technicians before being given the go ahead for production. The result of all this painstaking work is furniture that lasts for a lifetime. Through our quality furniture, we have established extremely strong bonds with our customers and look forward to creating many more beautiful and cherished success stories. **Welcome to a world of elegance and tranquility!**
